Mr John Bartelt
Bartelt Aviation
Kirsch Municipal Airport

Dear John :

I just wanted to express my appreciation for all the work that you did to help make my recent Saratoga purchase a pleasant experience. It is a rare experience to work with a firm who are truly professionals and look out for the interest of the purchaser. John went above and beyond to help me acquire my airplane. This is the fifth airplane I have purchased and the first time I have ever written a letter because I was so pleased with the service I received. I would recommend Bartelt aviation to anyone purchasing an airplane.

Sincerely,

Gerald Zimmerman
